(Fully Synthetic motor oil- Mid SAPS technology)

## DESCRIPTION

ATLANTIC SYN ULTRA POWER LL III C3 SAE 5W30 API SP is a fully synthetic motor oil that is formulated with high-quality base oil. We engineer this oil to meet strict standards and regulations of Volkswagen (VW 504.00 and 507.00). Its Mid-SAPS formulation guarantees compliance with Euro 4, 5, and 6 emissions regulations while protecting your Diesel Particulate Filter. This advanced lubricant replaces our previous LONG LIFE III 5W30 API SN product.

## APPLICATIONS

This VW 504.00/507.00 specifications oil is backwards compatible with and supersede older VW standards. It is suitable for all VAG Group vehicles with extended oil change intervals (30,000 km or 2 years). We especially designed this oil for downsized Turbocharged Gasoline Direct Injection (TGD) engines to combat Low-Speed Pre-Ignition (LSPI).

## PERFORMANCE FEATURES AND BENEFITS
