

ATLANTIC X ENGINE OILS API SL

(High Performance Multigrade Oils for Passenger Car Engines)

DESCRIPTION

ATLANTIC X ENGINE OILS are high performance multigrade engine oils formulated from high quality base oils combined with modern performance additives to help provide long engine life and protect critical engine parts from lubricant related failures for up to 5,000 miles, providing wide temperature range engine protection.

APPLICATIONS

ATLANTIC X ENGINE OILS are suitable for petrol engines fitted with conventional carburetors and for naturally aspirated or turbo-charged indirect injection diesel engines (passenger cars and light industrial) vehicles. It could be used in all operating conditions (city traffic, road, motorways), whatever the season.

PROPERTIES

ATLANTIC X ENGINE OILS are specially formulated using extra cleaning additive to help protect against sludge and engine deposits. Additionally, pour point depressants and a viscosity index (VI) improvers are included to provide the optimum fluidity and viscosity across a broad range of temperatures & to provide extra protection against the harmful effects of stop-and-go driving and high and low temperature engine operation. It contains a double layer of engine wear protection.

PERFORMANCE FEATURES AND BENEFITS

- Superior engine wear protection
- Superior cleansing technology to help stop dirt and sludge build up
- Reduced high temperature engine deposits
- Superior engine protection during start up, warm-up and normal driving conditions
- Long-term wear protection of engine parts (distribution, ring, plunger and liner) increasing engine life.
- Can be used in both Diesel & LPG engines
- Excellent thermal and oxidation stability
- Reduces wear due to advanced base oils
- Helps clean and protect older engines
- Meets the most demanding car manufacturer's requirements
- Ensures the important engine seals stay soft and pliable to minimize oil leakage.

RECOMMENDATIONS / SPECIFICATIONS

International Standards : API SL, SL/CF, ACEA: A3/B3

Meets or exceeds: MB 229.1, VW 505.00/VW 501.00

Recommended for use: Ford, GM, PSA, BMW, VW, Audi and Mercedes-Benz
